Re: Acceptance of Bid

Dear Mr. Nanez,

After careful review of all bid submissions, we are pleased to formally accept your bid that was submitted on July 28, 2025, for the Exterior Pavement Repair Project at the Fairview Fire Station. We chose to go with Option 1, in the amount of \$274,714.00. Once we have received all the documents requested in the bid packet (Prevailing Wage Certification, Worker's Compensation Certification, Performance Bond, and Payment Bond), we will meet to sign a contract that our attorney has submitted to us. Thank you and we look forward to working with you on this project.

Sincerely,

A handwritten signature in blue ink that reads "Melissa Dimic".

Director Melissa Dimic
